<b>Company:</b>	<b>Xypex Australia</b>
<b>Valid from Date:</b>	<b>1<sup>st</sup> September 2011</b>
<b>Expiry Date:</b>	<b>31<sup>st</sup> August 2012</b>
<b>Company Registration at Level 1 Supplier</b>	

Registered Products	ATIC Reg. No	Reg. Level
Amorphous Silica Ecotec Silica Fume	ATIC 128	2

1. Registration is only valid for product grades listed above and not necessarily all products or grades produced or distributed by the registered supplier.
2. Level 1 product registration level represents an unproven material. Level 2 product registration level represents a proven material.
3. All cementitious materials shall conform with the requirements of AS 3972, AS 3582.1, AS 3582.2, AS 3582.3, MRTS70 and Specification SP43.
4. This Certificate is valid from the current date of issue to the expiry date. Generally initial registrations will be valid for a period of 6 months, while subsequent registration will generally be valid for a period of 3 years. Registration will be reviewed prior to expiry of this certificate or earlier if unsatisfactory performance is reported taking into account compliance with relevant standards and specifications.
5. Further conditions may be listed on the reverse side of this certificate or attached letter.
6. This registration is part of the ATIC CMRS registration scheme managed for ATIC by RTA NSW. Registration of products by ATIC is required to maintain the QTMRD registration
7. To maintain compliance with ATIC CMRS test data, in the required format, shall be provided monthly to Laboratory Officer (David Svolos), RTA Chemical and materials Laboratory, Unit H, 75 St Hilliers Rd Auburn NSW 2144 or email to [xrflab@rta.nsw.gov.au](mailto:xrflab@rta.nsw.gov.au).
